City Charge to the NAC :

It shall be the duty of the Commission to maintain and improve the quality of life in the City's neighborhoods by coordinating the efforts of recognized neighborhood associations and to serve as a liaison for neighborhood associations with the Mayor and City Council (M&CC) and the City departments. The commission's duties shall include:

- ❖ Review proposals and make recommendations to the M&CC regarding programs that can improve neighborhoods and prevent their decline;
- ❖ Assist in the creation of neighborhood associations in areas of the City where no active association exists;
- ❖ Foster the development of neighborhood action plans;
- ❖ Identify improvements in infrastructure, municipal services, and code enforcement that might enhance neighborhood revitalization;
- ❖ Assist the M&CC in the dissemination of news and information of benefits in neighborhoods throughout the City;
- ❖ Recommend criteria for use in community betterment programs;
- ❖ Review the consolidated plan, housing code, and comprehensive plan for consistency with neighborhood association rules and objectives;
- ❖ Establish subcommittees as needed to study particular issues and recommend specific actions to the commission;
- ❖ Identify sources of public and private funds for the neighborhood revitalization activities;
- ❖ Provide guidance on matters related to the City's Neighborhoods Matter initiative.

■ **Neighborhood Advisory Commission - work sheet**

1. What are some possible program ideas that might improve City neighborhoods and prevent their decline? (think of short and long term goals and action plans with @ idea) _____

2. How can the NAC assist the City in creating and growing neighborhood groups in neighborhoods where there are none? _____

3. How can the NAC help to develop neighborhood action plans in each of the City's neighborhoods? _____

4. List some recommendations where improvements in infrastructure, municipal service and code enforcement could enhance neighborhood revitalization. _____

5. Name some ways the NAC could help to spread City news and information of benefits throughout the City? _____

6. Do you have ideas on how we can better evaluate community betterment programs? _____

7. Review the City plans and housing codes for consistency and list any inconsistencies found?

- Comprehensive plan - <http://www.cumberlandmd.gov/260/Planning> (lower right, 2013 Comp Plan - Citywide and Neighborhood element)
- Consolidated plan - <http://www.cumberlandmd.gov/159/Consolidated-Plan-Statutory-Program-Goal>
- Housing Code - <http://www.cumberlandmd.gov/167/Housing-Code> (lower right, Housing Code)

8. The NAC could develop subcommittees as needed to study particular issues and recommend actions to the commission. Do you think we have need for this now, and what would that need be? _____

9. Can you identify sources of any 'non-city' public and private funds for City neighborhood revitalization activities? _____

10. How could the NAC provide guidance regarding the City's Neighborhoods Matter Initiative? _____
